PLANS AND PROGRAMS STAFF WEEKLY REPORT FOR  
PERIOD ENDING 6 JULY 1983

1. Progress Report on Tasks Assigned by the DCI/DDCI:

No tasks assigned during this reporting period.

2. Items or Events of Major Interest that have Occurred During the Preceding Week:

a. LIMS

(1) [ ] has selected 26 and 27 July as the dates to present the LIMS System Requirement Review to OL and OF User Representatives. In addition, [ ] provide a Systems Operating Concept briefing which will give attendees their first insight into [ ] envisions LIMS will operate. The project development schedule and the transition approach to be used in bringing LIMS online in phases will also be discussed.

STAT

(2) [ ] of P&PD met with P&PS to discuss P&PD's plans to rebuild their Management Information System (MIS). This new system that P&PD hopes to have operational in early FY-84 will contain certain information that will also be eventually required in LIMS. [ ] was provided an insight into how we envisioned the system will operate and what information will be required. It appears that [ ] approach in developing the revised P&PD MIS will be able to accommodate requirements for the transfer of receiving and inventory information to LIMS.
